

External Mooting Competitions

External competitions are held throughout the country. They differ from the Internal Mooting Competition as the standard of teams participating is of a higher calibre. More often than not universities will send teams who have won or been finalists of their respective Internal Mooting Competitions. Warwick has only had outstanding success in these competitions with semi-finalists and winners coming away in the some of the most prestigious moots such as the Weekly Law Report and the De Monfort University. We wish therefore to send teams to more competitions this year. If you have received a high score in the preliminary rounds of the Internal Moot in previous years or reached the quarter-finals and beyond, sign up below!

Please be aware that if you sign up for an External Mooting Competition you are agreeing to take part in the competition – if you fail to attend the moot without a valid excuse, you will be blacklisted and will not be allowed to moot again.

Please fill in as appropriate and email to mooting@warwicklawsociety.com
