

Internal Mooting Competition

The University of Warwick Law Society's Internal Mooting Competition is an open competition for any member of the society, including non-law students and first-years. You do not need any previous mooting experience; workshops and demonstration mooting sessions are available early in term one. You may enter the competition either with a partner of your choice or on your own (we will select a partner for you based on experience). For the rules and format of the Internal Competition, please see the mooting page of the law society website.

Please be aware that if you sign up for the Internal mooting Competition you are agreeing to take part in the competition – if you fail to attend a moot without a valid excuse, you will be blacklisted and will not be allowed to moot again.

Please fill in as appropriate and email to mooting@warwicklawsociety.com
