

Mooting Mentor Scheme

This year a 'Mooting Bible' will be distributed to all participants of the Internal Mooting Competition containing the key things which any beginner mooter needs to know, from the format of the competition to the fundamental rules. This is meant to act as an accessible reference guide rather than a comprehensive book. As a result, we are keen to make use of mooting mentors to provide quick and helpful advice to competitors of the Internal Mooting Competition whose questions cannot be answered in the Bible. If you would like to be part of the Mooting Mentor Scheme and you have previous mooting experience, please sign up below. Your help will be invaluable to competitors and will give you something extra to put on your CV!

Please fill in as appropriate and email to mooting@warwicklawsociety.com
